Drug testing screening methods used at IFPA events are a means to determine eligibility. If competitors can not successfully pass any screening methods used, they will either not be allowed to compete if determined prior to the event (Ex. Polygraph test), or will be disqualified and be removed from official results if determined after an event (Ex. Urine test). Competitors cannot have used any substances indicated as being banned for IFPA competitions (complete list of banned substances is posted on IFPApro.com). Competitors are ultimately responsible for substances they take. If urine test results come back positive for any banned substance, competitors are disqualified regardless of what may have been responsible for the positive result. IFPA athletes are subject to out of contest (spot) drug testing throughout the year. IFPA members are responsible for keeping the IFPA up to date whenever changes to contact information occur.

I agree to abide by the decision of the IFPA, and/or contest promoters concerning my participation in an IFPA-sanctioned contest pending the results of any form of testing used to detect use of banned substances with IFPA. I understand that the administrator or laboratory utilized for substance screenings is the choice of IFPA and/or the promoters, and agree to accept the results of said testing, whatever they may be. I hereby waive and release any claims or demands against the IFPA, its representatives, sponsors and promoters that may arise out of my participation in an IFPA-sanctioned event or my membership in the IFPA.

I hereby intend to be legally bound for myself, my heirs, executors and administrators, and waive and release any and all rights and claims for damages I may have against the facility owners, IFPA, affiliated amateur federations, the promoters, and any sponsors, agents, or representatives for any injuries suffered by me as a result of my participation and/or losses suffered by me as a result of my participation and/or attendance at any IFPA contest. I hereby grant the promoters, IFPA, any approved magazine, video or entertainment organization and all of their agents successors, licensees and assignees, the right to photograph or otherwise reproduce (whether by film tape, still photography, or otherwise) my voice, appearance and name and exhibit, distribute, transmit and/or otherwise exploit any and all media, including without limitation, by means of still photography, motion pictures, radio, television, television motion pictures, video, printing, or any other medium now known or hereafter devised, including audio with respect to any merchandising, advertising, and/or publicity and the right to use my name and information about me in connection with any of the foregoing. No further compensation shall be payable to me at any time in connection therewith. Nothing contained herein shall be deemed to obligate, IFPA and/or any magazine, video or any approved video entertainment organization to photograph or otherwise reproduce my voice, appearance or name, or to make use of any of the rights granted herein. I also understand that the aforementioned rights may be reassigned at any time without further comment.
